Prepare to be a leader in today’s financial arena.

THE RIVIER UNIVERSITY ADVANTAGE
Rivier’s Finance program prepares you for opportunities in a variety of industries including banking, insurance, corporate finance, investment management, risk management, and other areas of fiduciary responsibility.

At Rivier, academic excellence is offered and great achievement is expected. You will transform yourself through engaging classroom interaction, powerful study abroad experiences, challenging internships and life-changing community service. Our mission—transforming hearts and minds to serve the world—ensures that you will find a rich global experience in our vibrant campus community. Faculty members bring real-world experience to their classrooms and are dedicated to the success of every student.

ABOUT THE PROGRAM
The Bachelor of Science in Finance program instills in students the importance of resolving and maintaining legal and ethical issues, communication challenges, and managing technology challenges. Students will gain skills in business fundamentals as well as knowledge in the general finance field. Curriculum subjects include management, communications, spreadsheet applications, marketing, financial accounting, microeconomics, business, law, managerial accounting, managerial finance, strategic management, and statistics within the core curriculum.

ACCESS THE WORLD
Internships, study abroad, and co-curricular opportunities
All Rivier business students have the opportunity to gain work experience through the many internship opportunities the University has to offer—such as sales, financial planning, retail, and marketing internships at a number of reputable local companies, which vary each semester.

Students also have the opportunity to become a member of the Rivier University Business Club. The club is led and managed by students, and a business faculty member serves as an advisor who provides guidance and advice for the club. Students are strongly encouraged to participate in various study abroad opportunities ranging from faculty-led week-long study tours to entire semesters spent at a university abroad.

CAREERS
Rivier’s Bachelor of Science in Finance degree program prepares students for opportunities in a variety of venues including banking, insurance, corporate finance, investment management, risk management, and other areas of fiduciary responsibility.

Finance graduates can pursue careers as:
- Assistant Controller
- Budget Analyst
