Rivier University

Dual-enrollment Addendum to the Articulation Agreement between

Great Bay Community College and Rivier University

The purpose of this addendum is to simplify the process allowing nursing students matriculated in the Associate Degree Nursing Program at Great Bay Community College to enroll in the RN to BSN program at River University.

The following changes regarding the process of enrollment into Rivier University are in effect:

1. Students interested in matriculating in the RN to BSN Program at Rivier University shall complete the “Early Admission” Form and submit one copy to the community college nursing program office, and one copy to the nursing program at Rivier University, 420 South Main Street, Nashua, NH 03060.
2. Students may submit the Early Admission Form at any time during their education program at the community college.
3. The Early Admission Form will be submitted to the community college registrar. A final transcript listing courses completed and graduation date will be forwarded to Rivier University.
4. The student will be responsible for submitting a Rivier University Application, and for having high school transcripts and transcripts from other colleges attended sent directly to the nursing program at Rivier University.
5. Students who submit an Early Admission Form to the Rivier University nursing office will be contacted by the RN-BSN academic advisor in order to design and education plan for meeting the baccalaureate degree requirements.
6. Students may enroll in Rivier general education courses before completing the associate degree and before completing the registered nurse licensure process. Students may enroll in selected nursing courses at River University with the approval of the Rivier University RN-BSN academic advisor prior to completing all requirements for the associate degree. Students must complete a minimum of 21 credits of the RN-BSN program at Rivier College in order to receive their baccalaureate degree in Nursing.
7. All other premises of the Articulation Agreement between Great Bay Community College and Rivier University remain as originally stated.
