quincy.interviewexchange.com
Assistant Professor/
Instructor of Nursing

Opportunity Overview
The Instructor of Nursing will have the opportunity to work with highly motivated and knowledgeable faculty and staff who are willing to mentor the new Instructor. The Instructor will work with a diverse group of students and a state-of-the-art High Fidelity Simulation facility. The new Instructor of Nursing will use his or her knowledge and experiences to advance the Quincy College Nursing Program.

About Quincy College
Founded in 1958, Quincy College is a two-year, municipally affiliated college serving approximately 4,000 students at campuses located in Quincy and Plymouth, Massachusetts. Quincy College offers 34 associate degree programs and 19 certificate programs in a variety of disciplines, including those within Professional Programs, Liberal Arts, Natural & Health Sciences and Nursing. The college is accredited by the New England Association of Schools and Colleges, and is licensed by the Board of Higher Education of the Commonwealth of Massachusetts to grant the degrees of Associate in Arts and Associate in Science. The college draws a diversity of students from the greater Boston area, the Plymouth area, southeastern Massachusetts as well as 100 countries around the world.

Quincy College Associate Degree in Nursing Program and Practical Nurse Certificate programs are accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Commonwealth of Massachusetts Board of Registration in Nursing (BORN).

For more information, please visit www.quincycollege.edu.
Description

Duties which may be assigned to a faculty member are set forth in the Quincy Education Association Agreement. The major responsibility of the position is classroom and clinical instruction of students in either the Quincy College Associate Degree in Nursing Program or the Practical Nursing Certificate Program at the Quincy and Plymouth Campuses. The work schedule may include late afternoon or evening class instruction and/or weekend clinical instruction. Other responsibilities include student advising, curriculum development, assignment to Division of Nursing and College committees, and other duties as assigned by the Dean of Nursing.
