Rivier College
Dual-enrollment Addendum to the Articulation Agreement between
Manchester Community College and Rivier College

The purpose of this addendum is to simplify the process allowing nursing students matriculated in the Associate Degree Nursing Program at Manchester Community College to enroll in the RN to BSN program at River College.

The following changes regarding the process of enrollment into Rivier College are in effect:

1. Students interested in matriculating in the RN to BSN Program at Rivier College shall complete the “Early Admission” Form and submit one copy to the community college nursing program office, and one copy to the nursing program at Rivier College, 420 South Main Street, Nashua, NH 03060.
2. Students may submit the Early Admission Form at any time during their education program at the community college.
3. The Early Admission Form will be submitted to the community college registrar. A final transcript listing courses completed and graduation date will be forwarded to Rivier College.
4. The student will be responsible for submitting a Rivier College Application, and for having high school transcripts and transcripts from other colleges attended sent directly to the nursing program at Rivier College.
5. Students who submit an Early Admission Form to the Rivier College nursing office will be contacted by the RN-BSN academic advisor in order to design and education plan for meeting the baccalaureate degree requirements.
6. Students may enroll in Rivier general education courses before completing the associate degree and before completing the registered nurse licensure process. Students may enroll in selected nursing courses at River College with the approval of the Rivier College RN-BSN academic advisor prior to completing all requirements for the associate degree. Students must complete a minimum of 30 credits of the RN-BSN program at Rivier College in order to receive their baccalaureate degree in Nursing.
7. All other premises of the Articulation Agreement between Manchester Community College and Rivier College remain as originally stated.

For Rivier College:

Dr. Paula Williams, Ed.D, RN
Chair, Division of Nursing

Date: __________________________

For Manchester Community College:

Charlene Wolfe-Stepro
Director, Department of Nursing
