RISE INFORMATION SESSION

Thursday, August 15, 2019 • 1–3 p.m.
Dion Center Reception Room
Rivier University

Learn about RISE and what we offer! We invite you to the RISE Information Session to mix-n-mingle with new and old friends. Whet your appetite for our exciting courses, events, and more. The Information Session is an informal event where you can meet course facilitators, ask questions, and enjoy light refreshments. Stop by anytime between 1 and 3 p.m. Bring a friend!

- RISE is pleased to offer over 25 new courses for the fall semester!
- In addition, RISE offers enrichment courses which do not count towards the standard course limit of five 10-week courses or ten 5-week courses.
- Deadline to register for fall semester is Friday, August 16.
- RISE membership fee is \$130 for the fall semester.

A Course Request Form is provided on the last page of this brochure. You may register for courses by dropping off your completed form at the RISE Office, or you may register at the Information Session. RISE accepts checks only, payable to Rivier University. **Sorry, cash and credit cards are NOT accepted.** You will receive a confirmation of your registration with your class location, in the mail approximately two weeks after the Information Session.

Course requests are NOT on a first-come, first-served basis. All requests are equal through the date of the RISE Information Session.

All courses and schedules are subject to change. RISE reserves the right to cancel any course due to insufficient registrations and to limit class size by lottery. Lottery-eliminated applicants will be notified through the course confirmation. A lottery for oversubscribed courses takes place after the Information Session and includes all previous registrations.

The membership fee is NON-REFUNDABLE after the first week of classes, except for medical reasons.

For further information, call (603) 897-8623 or email rise@rivier.edu.

There will be no classes October 14-18.

History of RISE

The Rivier Institute for Senior Education (RISE) incorporates active participation and fellowship to create a vibrant and nurturing learning environment. Since its inception in 1997 by Rose H. Arthur, Th.D., the RISE program has grown and thrived on Rivier University's campus to be a welcoming community of people 55 years of age and over.

RISE is an essential piece of Rivier's community, holding courses and activities on the University campus and furthering the mission of Rivier University through continued education and service. RISE is also an affiliate of the Road Scholar Institute Network, a non-profit organization focused on the importance of lifelong learning.

Over 400 active RISE members attend courses and volunteer on committees. The diverse curriculum is facilitated by RISE members and members of the local community. Courses include history, literature, writing, music, religion, current events, genealogy, foreign language, art, computers, and physical fitness.

As stated in the bylaws, "the purpose of RISE shall be to provide a quality educational opportunity for

seniors in the Greater Nashua area. It will achieve this by being a member-directed learning center where active participation and fellowship are key concepts."

Office Location and Contact Information

The RISE Office is located in Memorial Hall, Room 126.

OPPORTUNITIES TO GET INVOLVED AT RISE

- **Become a Facilitator.** Whether a retired education professional or an enthusiast about a particular subject, share your expertise with the RISE membership. Stimulating curriculum is the heart and soul of RISE.
- **Act as a Classroom Greeter.** Help the course facilitator by taking attendance, coordinating handouts, and making special announcements.
- **Join a RISE Standing Committee.** RISE welcomes volunteers to serve on various committees; meetings are generally every few months.
- **Volunteer to help in the RISE Office.** From time to time, office help is needed with tasks such as copying, filing, answering phones, or mailings.
- **Join or Start a Special Interest Group.** Special Interest Groups take topics beyond the classroom for further exploration. Join one of these or start a new one.
- **Write for DAWN, the RISE Literary Journal.** Written, edited, and published by RISE members. If you love to write, this is the place for you.
- **Become a Member-at-Large.** These members serve as links between membership and the RISE Council by answering members' questions and concerns, distributing information, and helping promote RISE at special events and functions. Attend four RISE Council meetings per year.
- **Volunteer in the Simulation Lab as a Patient for Rivier Nursing Students.** Help nurse practitioners learn their future practice by acting as a "patient" for them.

COURSE REQUEST PROCEDURES

- Course requests are NOT on a first-come, first-served basis. All requests are equal through the date of the RISE Information Session.
- When filling out the Course Request Form, list your courses by priority (the course you WANT the most as your first choice, then your second choice, etc.). Members who choose a course as their first choice will be enrolled in that course first, then second choice, etc.
- In the event a course is overextended, the lottery is applied. It is based on the member's course priority. This insures that most members will receive their first choice.
- After the lottery is completed, all course requests are on a first-come, first-served basis.

LOTTERY AND CLOSED CLASS POLICY

Lottery

The lottery is designed as a fair and objective method to ensure all RISE members an equal opportunity to obtain a top-class choice. Based on the order of course priority, the lottery is a computer-generated program which lists members who are enrolled in an overextended course. *It is imperative that members list their courses on the course request form by order of priority.*

The lottery takes place **ONLY** for overextended courses.

The lottery takes place after the RISE Information Session. Lottery-eliminated applicants will be notified through course confirmation. The lottery does not apply to those members who enroll in only one course. Every attempt is made to ensure that members receive their first-choice courses.

Closed Courses

Closed courses are classes that are filled. Notification of availability originates from the RISE Office.

Cancellations

Cancelled courses are those that have been cancelled for the semester due to insufficient registrations or at the request of a facilitator.
