

Earn your master's degree in Education Studies.

Expand your professional knowledge and competencies in your choice of concentration. Enjoy a program tailored to meet your interests and career goals.

Rivier's M.Ed. in Education Studies will help you develop the advanced knowledge and skills necessary for teaching in the 21st century. You will be prepared to work effectively with students, parents, and your colleagues to help students get the best possible education and reach their full potential.

This program is designed for individuals who hold a bachelor's degree in education, or a closely related field, and who want to broaden and deepen their professional skills and competencies without seeking licensure.

Program of Study

Our Education Studies program features an individualized plan of study designed to meet your career goals by developing an area of concentration in fields like:

Choose Rivier

Rivier's M.Ed. programs provide real-world assignments and hands-on experience in the field to help you put theory into practice and develop your skills. Courses are offered in seven-week and 14-week terms for added flexibility to accommodate your busy schedule and learning preferences. Graduates of this program are well-rounded academic leaders, prepared to work in a variety of professional and educational settings.

REQUIRED COURSES

FOUNDATION COURSES

EDUC 501	Fundamentals of Research
EDUC 540	Curriculum Development
CNSL 626	Positive Psychology
CNSL 720	Social and Cultural Foundations

INDIVIDUALIZED PROGRAM OF STUDY

The Individualized Plan of Study is specifically designed to meet students' career goals by developing an area of concentration in the following areas:

- Education Administration
- Early Childhood Education
- Elementary Education

Students meet with the director of the program to develop an Individualized Program of Study that draws on courses from the various programs sponsored by the Division of Education and other divisions. A six-credit project is included in each program of study.
