

Master of Education

School Counseling

(Licensure Program)

Guide and support today's youth.

Start the journey toward becoming an effective school counselor. With a Master of Education in School Counseling degree, you can help meet the needs of students while building a rewarding career.

School counselors support students' educational and emotional growth and development. With skills acquired in Rivier's Master of Education in School Counseling program, you will be prepared to help students address the social, emotional, and educational challenges they may encounter during their school years. Featuring a combination of classroom and internship experiences, this program will allow you to meet the needs of all students.

Licensure

Program completion meets the academic requirements for licensure in the State of New Hampshire as a school counselor (K-12) by the New Hampshire Department of Education.

Choose Rivier

Rivier's M.Ed. programs provide real-world assignments and hands-on experience in the field to help you put theory into practice and develop your skills. Online classes add flexibility to accommodate busy schedules, and courses are offered in both seven- and 14-week terms. This curriculum aligns with the American School Counselor Association (ASCA) National Model.
