

Advance technological innovation and security solutions.

Why Study at Rivier?

With our B.S. in Cybersecurity Management, you will learn how to prevent and respond to global and domestic cybersecurity attacks and to maintain the integrity of networks, programs, and data.

Build Your Knowledge Base

Taught by industry experts and dedicated researchers in the field, our Cybersecurity Management degree prepares you to face modern cybersecurity challenges by developing your technical, critical thinking, problem-solving, and communication skills, as well as your information literacy and intercultural knowledge.

Gain Real-World Experience

We focus on professional, hands-on experiences to expand your knowledge beyond the theoretical foundations. Our Cybersecurity Management program requires you to complete at least one internship and provides many opportunities to apply classroom learning to real-world challenges, building practical skills as well as an impressive resume. Study abroad, clubs, and co-curricular events offer learning and leadership activities outside of the classroom.

Begin Your Career

Cybersecurity Management graduates may pursue careers as:

- Cyber incident responders
- Electronic forensics investigators
- Policy analysts
- Network security specialists and vulnerability assessors
- Penetration testers
- Cyber program and acquisition analysts
- Compliance specialists
- Information systems security officers (ISSO)

Advanced Degrees

Rivier offers B.S. in Cybersecurity Management/MBA in Cybersecurity Leadership and B.S. in Cybersecurity Management/M.S. in Computer Science 4+1 programs. Graduates are also well-prepared to pursue master's degrees in computer engineering, law enforcement, and other related fields.

Journeys of Transformation

Rivier University's core curriculum, titled *Journeys of Transformation*, aligns with the American Association of College & Universities essential learning outcomes. Coursework focuses on developing strong intellectual and practical skills for workforce success, and offers opportunities for service learning, servant leadership, and civic engagement to enhance leadership abilities.
