

Become a Registered Nurse and leader in today's healthcare system.

Why Study at Rivier?

Our B.S. in Nursing program will prepare you for a rewarding career in the nursing field through a focus on experiential learning and extensive, hands-on clinical experience.

Build Your Knowledge Base

Rivier has one of the largest pre-licensure undergraduate nursing programs in New Hampshire and has been a regional leader in education for more than 30 years. In addition to coursework, Rivier's state-of-the-art Simulation Labs offer a wide range of interactive learning experiences.

Gain Real-World Experience

Clinicals, faculty-led global health service trips, and co-curricular experiences build your skills as well as knowledge. Clinical nursing courses may include one or two clinical days or one 12-hour day at hospitals and facilities generally within 60 miles of the University.

Study abroad opportunities to complement coursework with service in another country. On-campus events allow students to gain greater exposure and understanding of nursing practice and patient populations.

Begin Your Career

Rivier graduates had a 93.81% NCLEX first-time pass rate from 2020-23 versus the national average pass rate of 84.38%. Once graduates pass the exam and receive their RN credential, they may enjoy careers as, but not limited to:

- Acute care nurses
- Labor and delivery nurses
- Pediatric nurses
- Community/public health nurses
- Hospice nurses

Advanced Degrees

Graduates are well prepared to pursue master's degrees in nursing, healthcare administration, and other related fields.

Journeys of Transformation

Rivier University's core curriculum, titled *Journeys of Transformation*, aligns with the American Association of College & Universities essential learning outcomes. Coursework focuses on developing strong intellectual and practical skills for workforce success, and offers opportunities for service learning, servant leadership, and civic engagement to enhance leadership abilities.
