

Applied Bachelor of Science Degree  
Three-Year (90 Credits)

# Criminal Justice

## Prepare for a career in law enforcement with an Applied B.S. in Criminal Justice from Rivier

### Why choose Rivier's Applied Criminal Justice degree?

Rivier's Applied B.S. in Criminal Justice is a three-year, 90-credit degree program designed to give you the knowledge and practical skills needed for careers in law enforcement, corrections, security, and related fields.

Maximize your return on investment at Rivier when you save a full year of costs and related expenses, while gaining an added year of earning income following graduation.

An applied bachelor's degree is designed for those eager to enter the professional workforce quickly and have an early career pathway they want to pursue. The 90-credit format streamlines the general education requirements, enabling students to complete the applied degree in three years of full-time undergraduate study.

### Get Ready for the World

As a Criminal Justice major, you will experience our workforce-focused model inclusive of experiential learning and problem-solving opportunities. You will intern at a police department, a correctional facility, an agency that provides support to victims of crime or to vulnerable children, or another site, gaining the skill and experience to build your resume and launch your career in law enforcement.

### Enter the Workforce Faster

Criminal Justice graduates will be workforce-ready and well-positioned for success in a competitive job market. Career opportunities span a wide range of industries, including municipal, county, and state law enforcement, corrections, court clerk, bailiff positions or victim advocacy.

### Earn your master's in just one additional year

Earn both your bachelor's and master's degrees in just four years through Rivier's 3+1 programs. With a bachelor's degree and an master's degree in four years, you will be well positioned for early career advancement and long-term professional success.
