

Level up your business management skills.

Immediately apply what you learn to advance your career. Take your career to the next level with Rivier's MBA in Management, a business education that delivers real-world skills for personal and professional success.

Rivier's MBA in Management offers a comprehensive education in core business areas such as accounting, finance, marketing, risk management, and operations. The program is designed to develop your skills in leadership, critical thinking, problem-solving, and strategic management. The program teaches you to identify and analyze key information, enabling you to apply your knowledge effectively to create positive change within an organization.

Choose Rivier

Rivier's MBA programs provide strong foundational knowledge and hands-on learning that build on your existing skill sets and confidence in business management. On-campus or online course options provide greater flexibility to working students, and six seven-week terms annually offer a swift path to earning your degree within 12-24 months. Additionally, Rivier's curriculum utilizes the most current open education resources in place of textbooks, significantly reducing the cost of your program.

Save with Open Educational Resources

All instructors in the online MBA in Management program use Open Educational Resources (OER) in place of traditional textbooks. This means digital, openly licensed content is available free of charge to students. Featuring multimedia, interactive, and engaging course content, OER materials can save you an estimated \$1,500 over the length of your program.
