

Applied Bachelor of Science Degree
Three-Year (90 Credits)

Business Management

Launch your business career faster with an Applied B.S. in Business Management from Rivier

Why choose Rivier's Applied Business Management degree?

Rivier's Applied B.S. in Business Management is a three-year, 90 credit degree program that will prepare you to excel as a leader and innovator in today's competitive global business environment.

Maximize your return on investment at Rivier when you save a full year of costs and related expenses, while gaining an added year of earning income following graduation.

An applied bachelor's degree is designed for those eager to enter the professional workforce quickly and have an early career pathway they want to pursue. The 90-credit format streamlines the general education requirements, enabling students to complete the applied degree in three years of full-time undergraduate study.

Get Ready for the World

As a Business Management major, you will focus on developing practical skills and preparing for the workforce. Through a nine-credit internship, you will complete a professional placement at one of the region's top employers and gain hands-on experience to build your resume and launch your career.

From diverse speakers and networking opportunities to participation in student organizations such as the Business Student Association, you'll enjoy a wide range of educational experiences that will broaden your worldview.

Enter the Workforce Faster

Business Management graduates will be workforce ready and well-positioned for success in a competitive job market. Career opportunities span a wide range of industries with roles, including business managers and directors, advertising executives, corporate communications, public relations managers, and more.

Earn your MBA in just one additional year

With Rivier's 3+1 Business Management/MBA, you can earn an MBA in just one additional year of study. With a bachelor's degree and an MBA in four years, you will be well positioned for early career advancement and long-term professional success.

CYBR 390	Leadership Through Crisis
COMP 120	Introduction to Computing and Information Literacy
SOCI 201	Cultural Anthropology

INTERNSHIP

Students will be required to complete a 12-credit internship that provides students with practical experience in a workplace environment.

This experience allows students to apply classroom knowledge, develop professional skills, explore career interests, and build meaningful industry connections that enhance their employability upon graduation.

Rivier also offers a four-year (120-credit) Bachelor of Science in Business Management. Students enrolled in the three-year Applied Bachelor's Degree program may elect to switch to the four-year bachelor's degree program prior to graduation. Students who are considering this option should connect with their academic advisor to formally document the change and have a new program audit created to reflect the updated degree requirements and graduation plan.
