

Transfer Articulation Program
GREAT BAY COMMUNITY COLLEGE *and* RIVIER UNIVERSITY
A.S. EARLY CHILDHOOD EDUCATION to
B.A. EDUCATION & COMMUNITY LEADERSHIP

Beginning with the 2014-2015 academic year, a graduate of Great Bay Community College, who meets the following requirements and satisfactorily completes the following requirements for admission will be automatically accepted for admission and receive junior-class standing in the Education Division at Rivier University for the Bachelor of Arts degree program in Education and Community Leadership:

- Completes the requirements of the Associate of Science in Early Childhood Education major as listed in the current Great Bay Community College catalog, and;
- Receives the Associate of Science degree with a minimum of a C+ (2.5) grade point average;
- Submits application for transfer to the Admissions Office at Rivier University;
- Accompanies application for transfer admission with a \$25 non-refundable fee;
- Indicates Transfer Articulation Program on the transfer application;
- Submits a complete official transcript from Great Bay Community College.

Students who transfer through the Transfer Articulation Program are generally able to complete their remaining requirements for the baccalaureate degree in two years of full-time study or less, depending upon the number of transfer credits accepted. Part-time studies may require more time for degree completion. Rivier University will accept up to 90 credits of transfer credits. Advising material is included with this agreement and early academic advising is strongly recommended.

Transfer students who have received a grade of C or better in a writing course equivalent to ENG 115 or 120 will be awarded transfer credit for the course, if this credit was earned within a period of no more than five years prior to matriculation at Rivier University; in all other cases, entrance requirements for all students may include submission of a Writing Sample. Course placement (whether fulfilling the ENG 115, ENG 120, ENG 102 requirement, and/or a general elective) will be determined individually upon completion of the Writing Sample and recommendations submitted by department faculty.

This agreement, effective 2014-2015 academic year, will be ongoing. This agreement is subject to catalog and/or program revisions at both institutions; however, this agreement will continue to apply to students who transfer from the above mentioned program within one year of the termination of this agreement.
