#### **A.S. LIBERAL ARTS to B.A. IN LIBERAL STUDIES**

Beginning with the 2013-2014 academic year, a graduate of Manchester Community College, who meets the following requirements and satisfactorily completes the following requirements for admission will be automatically accepted for admission and receive junior-class standing in the Liberal Arts and Sciences Division at Rivier University for the Bachelor of Arts degree program in Liberal Studies:

- Completes the requirements of the Liberal Arts major as listed in the current Manchester Community College catalog, and;
- Receives the Associate in Science degree with a minimum of a C (2.0) grade point average;
- Submits application for transfer to the Admissions Office at Rivier University;
- Accompanies application for transfer admission with a \$25 non-refundable fee;

Students who transfer through the Transfer Articulation Program are generally able to complete their remaining requirements for the baccalaureate degree in two more years of full-time study. Advising material is included with this agreement and early academic advising is strongly recommended.

Entrance Requirements for all students include submission of a Writing Sample, an institutional assessment tool, which is administered to all new students, including students who transfer through the Transfer Articulation Program. Credits earned for ENG101 English Composition I will be accepted for transfer; however, course placement (whether fulfilling the requirement, ENG120 College Composition I, and/or a general elective) will be determined individually upon completion of the Writing Sample and recommendations submitted by department faculty.

---

This agreement, effective 2013-2014 academic year, will be ongoing. This agreement is subject to catalog and/or program revisions at both institutions; however, should this agreement be cancelled, it will continue to apply to students who transfer from Manchester Community College up to one year afterward.
