Rivier University will accept up to 90 credits of transfer credits. Advising is included with this agreement and early academic advising is strongly recommended.

Entrance Requirements for all students include submission of a Writing Sample, an institutional assessment tool, which is administered to all new students, including students who transfer through the Transfer Articulation Program. Credits earned for ENG101 English Composition I will be accepted for transfer; however, course placement (whether fulfilling the requirement, ENG120 College Composition I, and/or a general elective) will be determined individually upon completion of the Writing Sample and recommendations submitted by department faculty.

=====  
This agreement, effective 2018-2019 academic year, will be ongoing. This agreement is subject to catalog and/or program revisions at both institutions. Should this agreement be terminated, this agreement will continue to apply to students who transfer from the River Valley Community College Associate of Arts in Liberal Arts program within one year of the termination of this agreement.
