Transfer Articulation Agreement

AMERICAN SCHOOL OF NURSING AND MEDICAL CAREERS and RIVIER UNIVERSITY PRACTICAL NURSING PROGRAM to A.S. IN NURSING

Rivier University Programs Accredited by the Accrediting Commission for Education in Nursing, Inc.

Beginning with the 2019-2020 academic year, the Division of Nursing at Rivier University agrees to accept into its Associate of Science in Nursing program licensed LPNs who have graduated from the American School of Nursing and Medical Careers' LPN program with a minimum grade-point average of 2.67 and who satisfactorily complete the following requirements for admission:

- Submit application for transfer to the Admissions Office at Rivier University;
- Submit a complete official transcript from the American School of Nursing and Medical Careers;
- Submit evidence of successful completion of the ATI RN Fundamentals of Nursing proctored assessment with a minimum score of Level 2;
- Evidence of an unencumbered licensure. (Required of all LPNs beginning nursing courses).

A written notification of transfer admission will be mailed to each applicant by the Admissions Office. American School of Nursing and Medical Careers' graduates transferring to Rivier University through this articulation agreement may complete their remaining requirements for the Associate of Science in Nursing RN program.

=====
This agreement, effective 2019-2020 academic year, will be ongoing. This agreement is subject to catalog and/or program revisions at both institutions. Should this agreement be terminated, this agreement will continue to apply to students who transfer from the American School of Nursing and Medical Careers up to one year afterward.
