

*Division of Nursing and Health Professions*  
**Master of Science in Nursing Degree Program**  
Course of Study Choice Form

Name: \_\_\_\_\_

Date: \_\_\_\_\_

I am applying for enrollment in one of the graduate nursing program options indicated below. I understand if, at any time, I am unable to, or choose not to, take the courses in the order outlined in your program of studies, enrollment in courses after that time may be delayed. Please note: All students must be enrolled at least half-time to receive most financial aid. For aid purposes, Graduate students are considered full-time when enrolled in 9 or more credits per semester and half-time when enrolled in 5 to 8 credits per semester. **If you know that you will be utilizing financial aid, please consider the 4, 5, 6 or 8 semester program option.**

RN-MS**	<input type="checkbox"/> 8-semester			(42 credits)

**POST-MASTER'S CERTIFICATE PROGRAMS** (select one, by checking choice)

- ☐ **Adult Gerontology – Acute Care Nurse Practitioner**
- ☐ **Nursing Education**
- ☐ **Family Nurse Practitioner (Low-Residency)**
- ☐ **Family Nurse Practitioner (Hybrid)**
- ☐ **Psychiatric/Mental Health Nurse Practitioner (Cohort Model)**

The program of studies for post-Master's certificates will vary depending upon the applicant's prior clinical preparation and will be reviewed as part of the applicant process. The graduate faculty will then develop an individualized program of studies. The individualized program of studies will prepare the advanced practice nurse to provide care to clients across the lifespan.

\*Applicants with a baccalaureate degree in a discipline *other* than nursing.

\*\*Applicants without a baccalaureate degree in any discipline – must complete a Professional Portfolio as an additional requirement.
