

Healthcare Administration

Level up your healthcare management skills.

Advance the quality of care through administrative leadership. Learn to innovate and enhance healthcare systems and policies with Rivier's MBA in Healthcare Administration.

Rivier's MBA in Healthcare Administration gives you a strong foundation in core business skills while also diving deep into healthcare-specific topics such as information management, compliance, risk management, policy development, healthcare law and ethics, and healthcare finance. Through real-world case studies, collaborative projects, and practical applications, you'll build the skills to lead effectively, solve complex problems, and drive meaningful improvements in healthcare organizations.

Choose Rivier

Online courses provide greater flexibility for working students, and six seven-week terms annually offer a swift path to earning your degree within 12-24 months. Additionally, Rivier's curriculum utilizes the most current open education resources in place of textbooks, significantly reducing the cost of your program.

Save with Open Educational Resources

All instructors in the online MBA in Healthcare Administration program use Open Educational Resources (OER) in place of traditional textbooks. This means digital, openly licensed content is available free of charge to students. Featuring multimedia, interactive, and engaging course content, OER materials can save you an estimated \$1,500 over the length of your program.
