

# Rivier University

## President's Circle Scholarships

**President's Circle Scholarships** at Rivier University provide financial aid assistance to the University's most deserving and qualified students. Through a partnership between the University and leading businesses and organizations in New Hampshire and Massachusetts, the program provides a named scholarship award to a full-time undergraduate student.

### *Creating a President's Circle Scholarship*

Your business or organization can participate in the program by making a \$2,500 scholarship gift to Rivier University. Your President's Circle Scholarship, named in honor of your company, can be tailored to your industry by selecting a specific academic major as a criteria.

Your gift can be made for one year only, or can be renewed each year. Throughout the year the gift is made, your business or organization receives recognition at the President's Circle Leadership Forums held on our campus in Nashua, New Hampshire. Benefits include recognition on promotional materials and display of your corporate banner at events.

### *About the Rivier University President's Circle*

The President's Circle supports Rivier's educational mission by hosting business and community leaders on campus to discuss issues that impact the businesses and citizens of New Hampshire and Massachusetts. Through this initiative, the University seeks to strengthen connections with the business community and to serve as a valuable resource for large and small businesses and organizations. Comprised of Presidents, CEOs, and business leaders, the President's Circle hosts Leadership Forums during the University's fall and spring semesters.

### *We look forward to partnering with you*
