Enter to Win a Stocked Study Room
Now through March 31st, current Rivier students can enter to win a VIP study room. The room will be available for 2-4 hours during pre-finals or finals week and stocked with all the essentials: snacks, Post-It notes, bottled water, and more! To enter, visit bit.ly/stocked-study-room, log in with your Riv email, and upload a photo of your whiteboard notes after a serious library study session. The winner will be selected at random in early April.

GOINGS ON ABOUT THE LIBRARY

St. Paddy’s Selfie Station
March 16th - 20th, Main Lobby
Make sure to wear something green and come celebrate St. Patrick’s Day with the library. We will have a photo booth with all the props needed to show your St. Paddy’s spirit.

March Book Madness
March 16th - April 6th
Test your luck and fill out your bracket predicting the winners. For every correct answer, you’ll receive a point. Prizes go to the student, staff, and faculty with the most points. Brackets are due to the library by March 16th. Make sure you vote for your favorites each week!

Therapy Dog Visits
March 17th at 10:00 A.M. & March 30th at 11:30 A.M., 1st Floor Alcove
It has been a while, but Kaizer will be back to visit Rivier on March 17th. We also have a new therapy dog, Cindy. She recently visited the Learning Commons and liked it so much that she wants to come visit the library! She will be with us on March 30th.

Pop-Up Libraries
March 19th at 6:30 P.M. and March 20th at 2:30 P.M.
Can’t make it to the library? No worries! The library will be popping up at some events on campus. Follow our social media for more updates.

Make Your Own Stress Ball
March 22nd - 27th, Main Lobby
We know this time of the semester can start to become very stressful. Combat some of that by making your own stress-ball at the library. Supplies will be provided.

Faculty Speaker Series
April 1st at 12:15 P.M., Second Floor Event Space
Come learn about Rivier professor Dr. Jodi O’Hara’s research on the emotional intelligence education of undergraduate nursing students.

STAFF PICK OF THE MONTH

Keynes and the Market
JUSTYN WALSH
Recommended by Peter Guevin.
ERC Assistant
Interested in trading Snapchat or Tesla stock on the Robinhood app, like other university students? This book has timeless advice for those looking to invest as a side gig, including how to navigate treacherous markets.

DID YOU KNOW?
You can request a one-on-one research appointment
We’re happy to help you at the desk anytime you’re able to stop by, but some projects can benefit from a little extra assistance. Schedule a research appointment with one of our librarians, and you’ll have a dedicated time to sit down with us and go over your topic.

We can help you:
- Figure out the best terms and keywords for searching your topic.
- Decide which library databases might be the best place to start your search.
- Place requests through interlibrary loan.
- Locate and checkout books from the library.
- Share, save or print any articles you find.
- Send you a full list of search results to look through later.
- And more!

If you live far away or take classes online, we’ve got you covered! We can set up virtual reference appointments if necessary.

Click here to request an appointment or visit rivier.edu/regina-library/services/research-services
The fine print: Sessions last from 20 minutes to one hour. This service is subject to the availability of library staff.

MEET A LIBRARY SUPPORTER

Samantha Cabral
Library Assistant Director

What’s your spirit animal?
My dog, Nala. She’s persistent, spirited, curious, sweet, and a tad adventurous. I am jealous of how she always finds the most comfortable place in the house and truly relaxes!

What’s one thing you love about Rivier?
The sense of community and how kind and genuine people generally are to each other. It’s so fulfilling to work in an environment that reflects your values in how people should treat and respect one another.

My favorite thing to do in my time off is:
Cook! I love trying out new recipes (even if they aren’t always successful) and learning about new cuisines and ingredients. In the past ten or so years I’ve learned to make all kinds of things like gelato, pan de yuca, pavlova, homemade pasta, and a variety of sides and main dishes!
