

Regina Library

Noise Levels | First Floor

Welcome to Regina Library!
We offer various noise-level areas for all preferences, so you can find the best spot for you!

Conversations should be kept to a low volume throughout the library.

Please note that sound (even with headphones) that's loud enough to disturb others is not allowed in any area of the library.

Conversation Zone

Group study is permitted in the reservable study rooms and anywhere not designated as a Quiet Study zone.

Whisper Zone

Please keep your conversations to a minimum here.

Absolute Quiet Zone

Conversation and phone use are **not** permitted in this area.

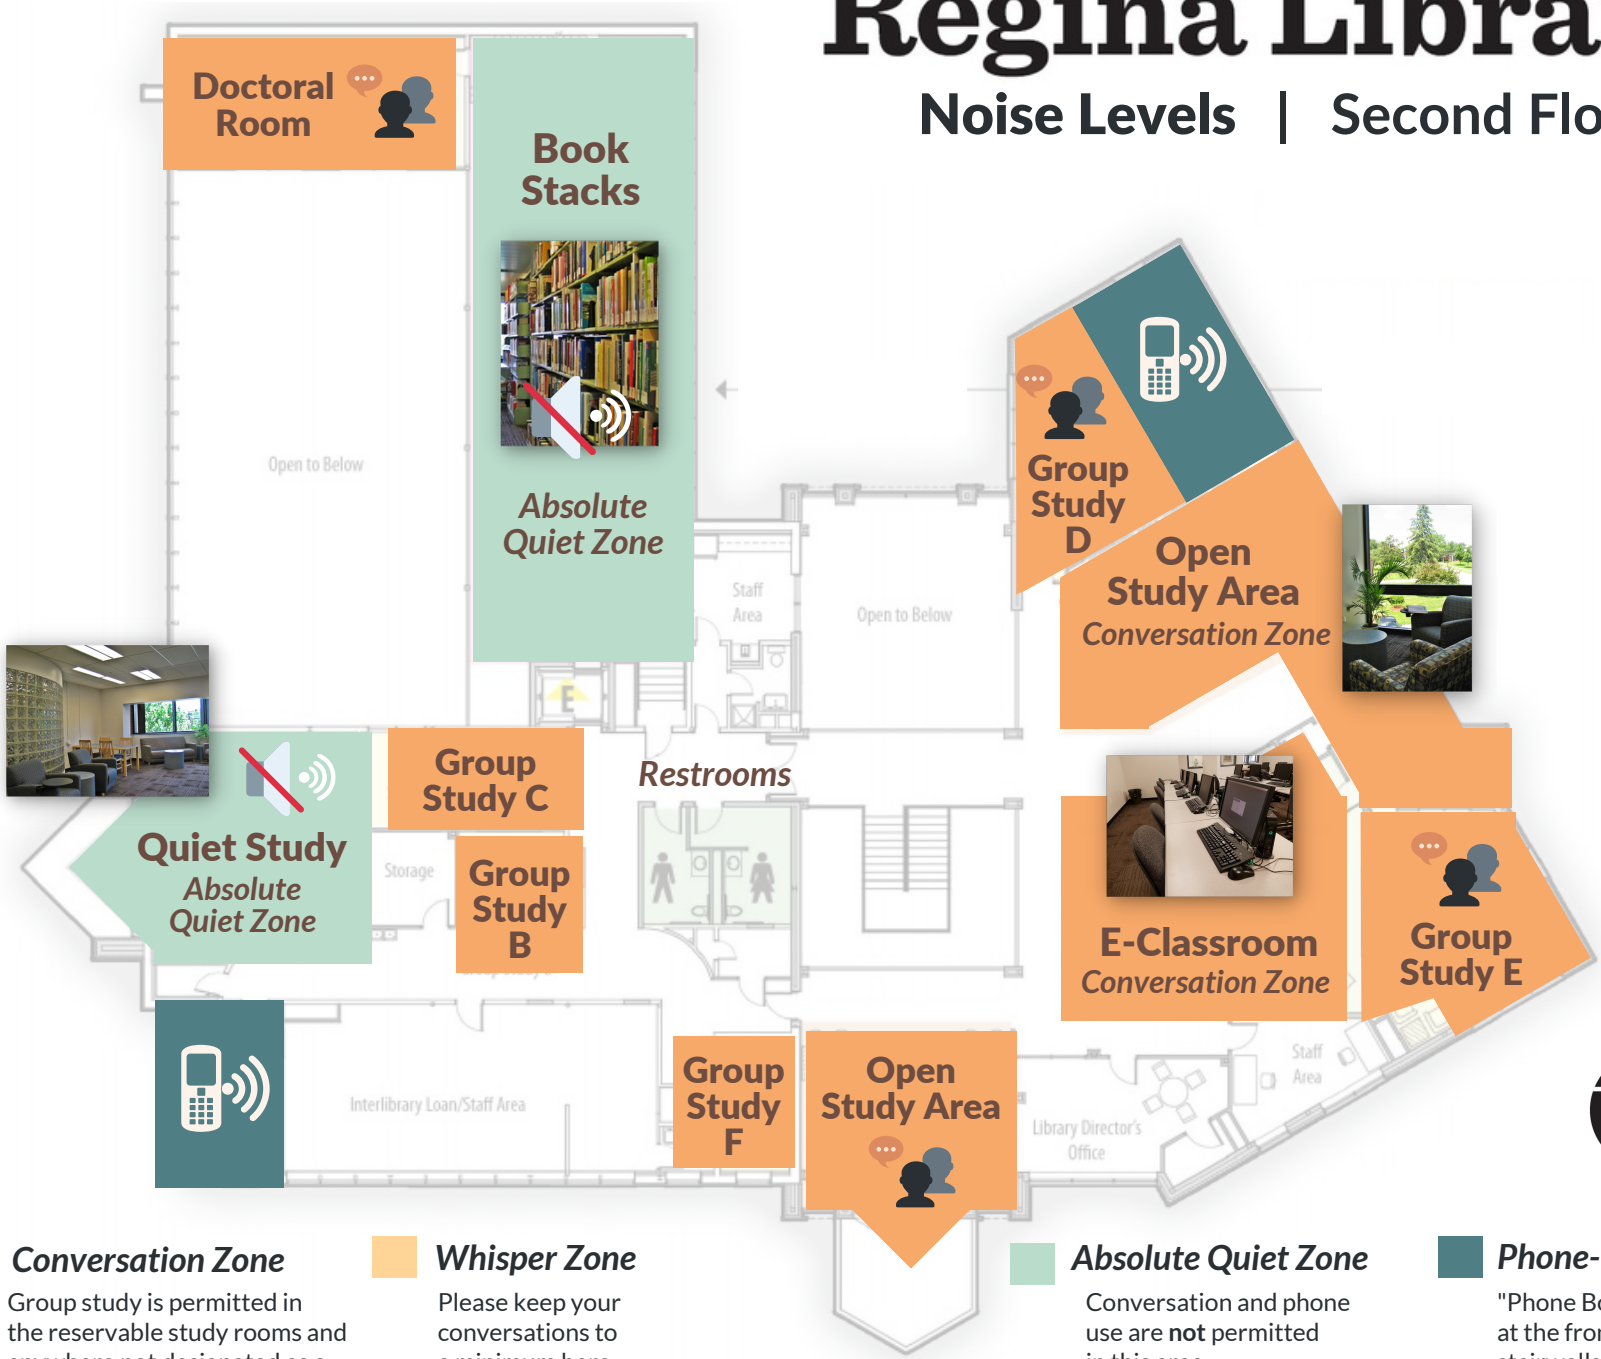

Phone-Friendly Zone

"Phone Booth" areas are located at the front entrance, in enclosed stairwells, and in the Library Café.
