

CONFIDENTIAL RESOURCE ADVISOR

APPROACH

A Confidential Resource Advisor provides free, confidential, non-judgmental, restorative and trauma-informed services. They will not tell you what you should or should not do; instead, they will provide information and resources for you to explore what next steps would best support you and/or your peers.

SERVICES

- Provide information including:
 - Reporting options and the effects of each option
 - Counseling services available on campus and through a local rape crisis center or domestic violence center
 - Medical and health services available on and off campus
 - Campus escort services for security
 - Academic and residence life accommodations
 - The investigative and disciplinary process at Rivier
 - The legal process carried out through local, state and federal government agencies
 - Students rights and the institution's responsibilities regarding a protection order, no contact order, and any other lawful orders issued by the institution or by a criminal, civil or tribal court.
- Assist the reporting party in contacting or reporting to campus or local law enforcement agencies (if directed by the reporting party).
- May attend an administrative or institution-based adjudication proceeding as the advisor or support person of the student's or employee's choice.

CONNECT

Confidential Resource Advisor services are accessible virtually through phone, email and video calls. Services are also available in-person in Dion Center Room 201. Services are available during business hours: Monday - Friday from 8:30 a.m. - 5:00 p.m.

- Phone: (603) 897-8676
- Email: Rgrogan@rivier.edu

LEARN

If you find out that someone you know has experienced issues of sexual assault, domestic violence, dating violence or stalking, the Confidential Resource Advisor can provide you with information and resources on how to support them in getting the help they may need.

CARE Project
