## UNIVERSITY

### M.A.

### Master of Arts in Clinical Mental Health Counseling

## Begin your career in Clinical Mental Health Counseling

Help clients overcome obstacles and transform their lives.

With an M.A. in Clinical Mental Health Counseling, you'll gain the knowledge and skills necessary to advance as a mental health professional.

Mental health counselors are committed to helping people address a range of mental health-related issues, from depression and anxiety to substance abuse and addiction.

With this degree, you will develop the critical thinking skills, compassion, and knowledge necessary to help clients improve their mental health.

### Available Facilities & Resources

To support your research and learning outside the classroom, you will have full access to Regina Library that offers a variety of academic reference materials such as journals, textbooks, and online databases. You will also be connected with esteemed faculty that are practitioners in their fields.

### Choose Rivier

Rivier's M.A. programs provide real-world assignments and hands-on experience in the field to help you put theory into practice and develop your skills. Online, on-site, and hybrid classes are available for added flexibility to accommodate your busy schedule and learning preferences. This curriculum aligns with New Hampshire Board of Mental Health Practice standards in order to fulfill eligibility requirements for state licensure. Once you complete the program, you will be a credentialed mental health counselor, LMHC, by the New Hampshire Board of Mental Health Practice, which will further demonstrate your expertise and leadership in the field.
