Transfer Articulation Agreement
WHITE MOUNTAINS COMMUNITY COLLEGE
and RIVIER UNIVERSITY
A.S. INFORMATION TECHNOLOGY to
B.S. CYBERSECURITY MANAGEMENT

Beginning with the 2019-2020 academic year, a graduate of White Mountains Community College, who meets the following requirements will be automatically accepted for admission and receive junior-class standing in the Division of Business at Rivier University for the Bachelor of Science degree program in Cybersecurity Management:

- Completes the requirements of the Information Technology major as listed in the current White Mountains Community College catalog, and;
- Receives the Associate in Sciences degree with a minimum of a C (2.0) grade point average
- Submits application for transfer to the Admissions Office at Rivier University
- Submits a complete official transcript from White Mountains Community College

Students who transfer through the Transfer Articulation Agreement are generally able to complete their remaining requirements for the baccalaureate degree in two more years of full-time study. Advising material is included with this agreement and early academic advising is strongly recommended.

Entrance Requirements for all students include submission of a Writing Sample, an institutional assessment tool, which is administered to all new students, including students who transfer through the Transfer Articulation Agreement. Credits earned for ENG101 English Composition I will be accepted for transfer; however, course placement (whether fulfilling the requirement, ENG120 College Composition I, and/or a general elective) will be determined individually upon completion of the Writing Sample and recommendations submitted by department faculty.

═ ═

This agreement, effective 2019-2020 academic year, will be ongoing. This agreement is subject to catalog and/or program revisions at both institutions; however, this agreement will continue to apply to students who transfer from the White Mountains Community College Information Technology Program within one year of the termination of this agreement.
