MBA

Master of Business
Administration in
Healthcare Administration

Level up your healthcare management skills

Advance the quality of care through administrative leadership.

Learn to innovate and enhance healthcare systems and policies with Rivier's MBA in Healthcare Administration.

The MBA in Healthcare Administration provides you with a broad education in traditional business disciplines as well as concentrated study in information management, compliance, risk management, policy development, healthcare law and ethics, and healthcare finance. Quantitative and qualitative coursework teaches you to identify and understand key information, and to evaluate and apply your knowledge to effect positive change within an organization.

Choose Rivier

Online courses provide greater flexibility for working students, and six 7-week terms annually offer a swift path to earning your degree. Additionally, Rivier's curriculum utilizes the most current open education resources in place of textbooks, significantly reducing the cost of your program.

Save with Open Educational Resources

Most instructors in this online MBA program use Open Educational Resources (OER) in place of traditional textbooks. This means digital, openly licensed content is available free of charge to students. Featuring multimedia, interactive, and engaging course content, OER materials can save you an estimated \$1,500 over the length of your program.
