

Rivier

UNIVERSITY

B.A.

Elementary Education

Play an important role in shaping future leaders.

Why Study at Rivier?

With our B.A. in Elementary Education, you will prepare to become a licensed teacher and play a valuable role in the lives of your future students.

Build Your Knowledge Base

Our program offers a unique mix of courses in curriculum development and implementation, teaching and instructional strategies, technology, design of learning environments, and focused disciplinary content that will empower you and develop your confidence in the classroom.

Gain Real-World Experience

Through a focus on experiential learning and field experience beginning your freshman year, you will build your skills, résumé, and professional network. Our proximity to some of the most diverse school districts in New Hampshire offers excellent opportunities for internships and employment. You will gain practical experience through a semester-long student teaching assignment that will build your confidence in the classroom and further develop your skills. Faculty-led teaching trips provide an opportunity for global experiences.

Begin Your Career

Elementary Education graduates may pursue careers as:

- Elementary school teachers
- Middle school teachers

Advanced Degrees and Licensure

Graduates are well prepared to pursue master's degrees in education, administration, and related fields. This program is designed to meet the educational requirements necessary for licensure per the NASDTEC Interstate Agreement.
